“SNOW NEWS IS GOOD NEWS”

## 16TH ANNUAL HANK SNOW TRIBUTE TREMENDOUS SUCCESS

Attendees of the 16th Annual Hank Snow Tribute held August 17 – 20, 2006 at the South Shore Exhibition Grounds in Bridgewater enjoyed outstanding entertainment by talented musicians from across Canada and the United States. We were once again pleased to have *Kayton and Iva Lee Roberts* and *Roger Carroll*, join us from Nashville.

Thursday night saw inductions into the *Nova Scotia Country Music Hall of Fame* of **Rita MacNeil**, **Chet Brown**, **Jim Haggart** (who sadly passed away Sept. 4, 2006) & **Don Haggart** and the late **Len McDonald**. There was also a lively fiddle performance by **Gordie MacKeeman**.

Bernice & Karl Levy pictured here with Karl's Sounds Like Hank award. This win makes Karl Levy the only individual to have won all three contests (Sounds Like Hank, Guitar Picking & Best Dressed) at the annual event.

**Karl Levy** of Chester, Nova Scotia won the popular *Sounds Like Hank* Contest, sponsored by **D'Addario Canada**. This win makes Karl Levy the only individual to have won all three contests (*Sounds Like Hank*, *Guitar Picking & Best Dressed*) at the annual event. **Hank Boucher** of Havre Boucher, NS won the *Guitar Picking* Contest, sponsored by *C.F. Martin Guitar* for the second time.

**Chet Brown** of Greenfield, Kings County, NS was presented with a *Sounds Like Hank Master Achievement Award* for his unprecedented eight wins in that category.

The winners in the *Best Dressed Group Category* were as follows: Friday – **Shirley Olmstead & Spur of the Moment**; Saturday – **Rough Edges**; and Sunday – **Southwind with Al Mahaney**. The winners in the *Best Dressed Individual* category were: Friday – **Karl Levy**; Saturday – **Chet Brown**; and Sunday – **Jerry Rich**. Chet Brown has now won this particular contest four years in a row wearing jackets handmade by his wife **Betty Lou**.

The 17th Annual Hank Snow Tribute will be held August 16 – 19, 2007 at the South Shore Exhibition Grounds in Bridgewater. The event will take on a different format this year as the 10th Anniversary of the Nova Scotia Country Music Hall of Fame Induction Night will be held **September 15, 2007** at the Wandlyn Inn in Bridgewater, and **not** at the Hank Snow Tribute. We are excited to have **George Hamilton IV** perform on the Thursday night of the Tribute in 2007. Additional performers for that show will be identified in the Spring 2007 Newsletter.

### Country Musicians Embrace HSCMC Plans

Country singers Aaron Pritchett and Julian Austin presenting Centre Manager, Lauren Tutty with memorabilia at this year's Canadian Country Music Awards.

**Lauren** has been busy this year seeking participation in the Centre's upcoming *History of Canadian Country Music Display*. The museum is looking to expand its focus within Canadian country music to feature other artists, past and present. She's been asking Canadian artists for special items that

could be displayed in Liverpool as part of the museum's expanding focus. To date the response has been overwhelming to say the least, as the idea is being welcomed with open arms. She has received confirmation and memorabilia from such stars as **George Canyon**, **Anne Murray**, **Julian Austin**, **Aaron Pritchett**, **Riley Madison**, **Earl Hayward**, **The Wilkinsons**, **Carolyn Dawn Johnson**, **Paul Brandt**, **Lucille Starr**, **Ray Griff**, **Aaron Lines**, **Beverly Mahood**, **Rita MacNeil** and more.

**Lauren** attended the *Canadian Country Music Awards* in Saint John in September and made contacts with some of the best-known names in Canada's country music scene. "They were thrilled to be asked," she said, "everyone so far has said yes to our request."

The memorabilia received to date will be on display for the 2007 season and updated regularly as items come in. **Lauren** says the welcome by these artists is encouraging for the future of the centre and for its expansion plans. Those plans are now the subject of a feasibility study.

While **Hank Snow** will remain the Centre's main focus, inviting other Canadian country music artists in will help keep the museum evolving and will attract additional local people and tourists to the Centre.

*If anyone has any mannequins they would like to lend or donate to the Centre for the new displays, please contact Lauren at 1-888-450-5525.*

### TRIBUTE PASSES – Just In Time For Christmas

Weekend walk-in passes are now available for the 17th Annual Hank Snow Tribute taking place August 16-19, 2007. The total cost of individual walk-in tickets for Thursday, Friday and Saturday is **\$38** per person. A special rate of **\$33** for a weekend pass will be in effect until **December 15, 2006**. Passes for the Tribute would make a perfect Christmas gift for family members who attend each year.

**For more information, call the Centre at 1-888-450-5525 or email info@hanksnow.com.**

★ ★ ★ MEMBERSHIPS - EFFECTIVE OCTOBER 1, 2006 MEMBERSHIP DUES ARE \$12.00. ★ ★ ★ ALL MEMBERSHIPS EXPIRE SEPTEMBER 30th EACH YEAR. PLEASE RENEW SO YOU WON'T MISS AN ISSUE!

## SEAFOOD FEAST RAFFLE

Due to the success of last winter's Seafood Feast Raffle fundraiser, The Friends of Hank Snow Society are hoping our Canadian members will once again assist us. You have again received 2 books of 6 tickets each with your newsletter. Please help us by selling the enclosed raffle tickets and returning the ticket stubs and money prior to March 1, 2007. The winning ticket will once again be drawn at our Pig & Whistle fundraiser, being held on March 24 (location to be determined). The winner will receive 10 lbs. of Lobster, 5 lbs. of Scallops and one Atlantic Salmon or a cash prize equivalent and will be contacted by phone. *Thank you for your ongoing assistance in helping to expand the Hank Snow Country Music Centre.*

Shirley Hibbeier, Hank Snow, and "Pud" Mueller in the mid 1950's.

**Olie Hibbeier** and his wife **Shirley** from O'Fallon, Missouri, visited the *Hank Snow Country Music Centre* in August of 2006. They really enjoyed their visit to Nova Scotia and sent us a letter with the photo on the left when they returned home. The photo shows **Shirley, Hank Snow** and "Pud" Mueller in the mid 1950's at Chain of Rocks Park, North St. Louis County in Missouri. Olie joked with his wife that *"she had lived long enough to be in a museum and darn it, she finally made it!"*

## Congratulations Chet on a Great Year!

Lauren Tutty presenting Chet Brown with his Master Achievement Award.

This year has definitely been an exciting year for **Chet Brown**! He is pictured above with **Lauren Tutty**, accepting his *Master Achievement Award* for his unprecedented 8 wins in the annual Sounds Like Hank Contest. Chet also won the *Best Dressed Individual* contest for the fourth time on Saturday at this year's event. Chet was also honored as one of the individuals inducted into the *Nova Scotia Country Music Hall of Fame* at this year's induction ceremony. On September 17, Chet was presented with the *Valley Arts Award* at the Canadian Deep Roots Festival. This award is presented to a distinguished person from the Annapolis Valley who contributes greatly to the arts. On November 19, Chet performed his 500th benefit show since 1993, at the Coffee House in Milford, and was presented with a plaque by **Arthur Brown**. *Congratulations Chet on all your awards & achievements!*

Fred also performed with pick-up groups at the Hank Snow Centre for bus tours. He will be greatly missed by all his friends and family.

**Joyce Dean**, beloved wife of James Dean, passed away November 3, 2006 at age 65. Joyce loved music and assisted her husband James at the Annual Hank Snow Tribute in his very popular "Answer Man" Booth.
